For many dogs at The Humane Society of Williamson County, their letters to Santa Paws were answered -- a warm, loving home for Christmas thanks to a new fostering program called "HSWC Homeless Dog for the Holidays". The program was created to promote holiday adoptions and to give the dogs, as well as staff, a needed break from shelter life.

This was the first year for 'Homeless Dog for the Holidays' and it was a great success; 66% of the dogs at the shelter were fostered and 37% of those borrowed buddies were adopted!

HSWC wishes to thank all of the Foster Families that supported the program and gave such a wonderful, spirited gift both to the organization and to its beloved doggies!
