

FOR IMMEDIATE RELEASE

**Keller Williams RED Day Success at the Humane Society of Williamson County...**  
**May 13, 2010**

Leander, Texas – May 13, 2010

Keller Williams Cedar Park/Leander Market Center joined Keller Williams' offices throughout the United States and Canada for a coordinated effort to improve their local communities.

RED (Renew, Energize and Donate) DAY is a Keller Williams Realty service initiative dedicated to improving various sites and bringing attention to projects needed in each community. Local Keller Williams real estate agents and community members joined together to achieve these goals with the Humane Society of Williamson County this year.

Keller Williams Cedar Park/Leander Market Center hosted a day long event at the Humane Society of Williamson County, 10930 E Crystal Falls Pkwy this past Thursday, May 13, 2010. RED Day volunteers assisted HSWC with projects including general landscaping, beautification projects, painting buildings, making needed repairs to HSWC's existing dog kennel and cat isolation buildings, assisting with administrative duties and cleaning, donating and placing signage around the property, hosting a large kitty litter drive, and various other projects that helped to improve HSWC.

The Humane Society of Williamson County wishes to thank all RED Day participants and Keller Williams Cedar Park/Leander Market Center for all of their support and assistance!
