February 14, 2007

**Humane Society of Williamson County offers 40 free spay or neuter surgeries to low income Williamson County residents**

*“Spay is the Way and Neuter is Cuter” --Local citizens urged to spay and neuter their pets.*

**Leander, Texas** - In support of Spay Day USA 2007, the Humane Society of Williamson County is proud to offer **40 FREE spay or neuter surgeries** at our onsite clinic on Tuesday, February 27 for cats or dogs owned by low income residents of Williamson County. Appointments are required and will be offered on a first come, first serve basis. Call now for an appointment as we anticipate our 40 free surgeries to fill up quickly (512) 260-3602 x 103.

HSWC is excited to direct all of its resources on community services and programs that will enable Williamson County to become a safe place where no pet is euthanized because it cannot find a home. Stopping pet overpopulation at the source—unwanted litters—by providing access to low cost spay/neuter services is an important part of our mission. We are excited to offer these 40 free surgeries to the community we serve.

“Spay/Neuter protects pet health, improves pet behavior, and lessens the burden on animal shelters and taxpayer”, says Janet Ott, Board President for the Humane Society of Williamson County.

For more information about this story or about the Humane Society of Williamson County, please contact Gretchen Guyer, Shelter Operations Director at (512) 260-3602 x107.
